- Appeals

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

### Next Steps

1. **FCC Form 486.** If your applicant(s) has not already filed the FCC Form 486, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, please make sure they review CIPA requirements and file the form(s).

2. **Make sure your applicant(s) file the FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if they have not already done so. Please make sure they review the CIPA requirements and file the form(s).
  - **If USAC approved funding on an FRN in your original FCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).
  - **If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
3. **Invoice USAC**, if you or your applicant(s) have not already done so. Work with your applicant(s) to determine if you will bill them at a discounted rate or if they will request reimbursement from USAC after paying their bills in full.
  - **If the applicant is invoicing USAC:** They must pay you (the service provider) the full cost for the services they receive and file the FCC Form 472, the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
  - **If you (the service provider) are invoicing USAC:** You must provide services, bill the applicant for the non-discounted share, and file the FCC Form 474, the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, you must file an FCC Form 473, the Service Provider Annual Certification Form, to be able to submit invoices and receive disbursements.
  - **To receive an invoice deadline extension**, the applicant or service provider must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

## How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

**Note:** The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the E-rate Productivity Center (EPC) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's website for additional information on submitting an appeal to USAC, including step-by-step instructions.

- To request a waiver of the FCC's rules or appeal USAC's appeal decision, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the Electronic Comment Filing System (ECFS). Include your contact information, a statement that your filing is a waiver request, identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

## Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

## Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

Revised Funding Commitment Decision Comments:
---

DR1: The products that are requested on this FRN are Internal Connections. This is substantially different than the products and services posted on your FCC Form 470. On your FCC Form 470, you posted for Basic Maintenance of Internal Connections(BMIC). The FRN is denied because the products requested on this FRN were not posted on your FCC Form 470.

Post Commitment Rationale:
----------------------------

The referenced form 470 number 180011508 did not post for purchase of equipment under the Internal Connections category. Consequently, the appeal is denied for failure to post the appropriate service category in Funding Year 2018. FCC rules require that all products and services for which an applicant requests discounts on an FCC Form

**Service Provider:** Integrity Network Solutions  
**SPIN:** 143035111  
**Post Commitment Wave:** 14

471 must be competitively bid on an FCC Form 470. The FCC Form 470 must include a complete description of the services for which discounts are sought, be posted on the website for 28 days, and applicants must carefully consider all bids received before selecting a vendor, entering into a legally binding agreement or signing a contract, and signing and submitting an FCC Form 471. See 47 C.F.R. secs. 54.503(b) and (c), 54.511(a). These competitive bidding requirements help to ensure that applicants receive the lowest pre-discount price from vendors. See Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Order on Reconsideration, 12 FCC Rcd 10095, 10098, FCC 97-246 para. 9 (rel. Jul. 10, 1997).
